TAXPAYERS' GUIDE

County Taxes Become a Lien on all taxable property at noon on the first Monday in March of each year.

Taxpayers Must File Statement with County Assessor of All Taxable Property, Real and Personal, Owned by Them, in Their Possession, or Under Their Control on the First Monday in March of Each Year.

This Statement must be made between the first Monday of March and the last Monday of May or upon demand of the Assessor.

The County Board of Equalization Meets on the first Monday in July each year to equalize and adjust assessments, and continues in session from time to time until the business of equalization is disposed of but not later than the third Monday in July.

Unsecured Property Taxes Become Due and Payable on demand, to the County Tax Collector on the first Monday in March of each year.

The County Tax Rate is fixed by the County Board of Supervisors, not later than the first day of September of each year.

Taxes on Real Estate and Personal Property Assessed with Real Estate Become Due and Payable to the County Tax Collector as follows: Taxes on real property are divided into two equal installments; the first installment consisting of one-half of the real estate taxes and personal property on the secured roll is due and payable on the first day in November of each year, becoming delinquent at 5 o'clock p.m. on the tenth day of December of each year. The second installment, or remaining one-half of the real estate and personal property taxes is due February 1st and becomes delinquent at 5 o'clock p.m. on the tenth day of April of each year. All taxes for the year, including the first and second installments, may be paid when the first installment is due, if desired.

Penalties Are Applied. All taxes due November 1st, if unpaid, are delinquent December 12th, 1955 at 5 p.m., and thereafter a delinquent penalty of 6 per cent attaches to them. The second half of taxes on the secured roll, if unpaid, is delinquent April 10th at 5:00 p.m., and thereafter a delinquent penalty of 6 per cent attaches to it. An additional charge of One Dollar is applied to each parcel or extension of taxes unpaid on April tenth, each year.

The Delinquent List Is Published on or before the eighth day of June each year in a paper, authorized by the Board of Supervisors. Said publication states the date of sale of property to the State for delinquent taxes for the fiscal year ending June 30th, each year.

On Property which has been Sold to the State for taxes for any year up to and including the year 1954, apply at the Office of the County Auditor, Room 152 Administration Building, Civic Center, for the amount necessary to redeem any time within five years after date of sale to the State.

Pursuant to Law, the County Tax Collector Will, unless the delinquent taxes thereon are sooner redeemed or an installment plan of redemption is initiated as provided by law, deed to the State of California all property delinquent for the taxes of 1950 on or about July 1, 1956, at the Tax Collector's office, Administration Building, Civic Center, San Diego, California.

Property Deeded to the State for delinquent taxes may be sold by the County Tax Collector at any time upon authorization of the Board of Supervisors and the State Controller.

For further information in regard to tax sales see County Tax Collector.

IMPORTANT

When Remitting by Mail all remittances must be by Bank Check and Draft, Post Office or Express Money Order.

To Avoid Penalties all remittances must be in the County Tax Collector's office or postmarked no later than 5 p.m. on the twelfth day of December, 1955 for the first installment or no later than 5 p.m. on the tenth day of April, for the second installment.

Before Remitting carefully examine all tax bills and see that all property upon which you desire to pay taxes is listed and properly described.

CODE AREAS

The fundamental basis for compiling the tax roll is upon the division of property into school districts. Tax rates levied vary in each of such districts in accordance with the valuations and requirements of the district.

There are also numerous special districts for which tax rates are levied on the properties benefited.

In the interest of efficiency in extending the tax levies, properties are classified into groups wherein the various rates are uniform. These groups are known as Code Areas, and there are approximately 725 such areas in the County.
